# Rules for Registration in the Stud Book

Sec 1. Cats and Kittens may be entered in the Stud Book of this Association in accordance with the following conditions:

Rule 1. When the sire and dam have been properly registered in (a) the Stud-Book of this Association; (b) the United States Official Register and Stud-Book, Vol. I; (c) the Beresford at Club Stud Book; (d) the National Cat Club Book, or, (e) the Cat Club Register of England.

Rule 2. When the sire and dam are of the same breed and registered in the Stud Book of the American Cat Association under rules that conform with those of this Association.

Rule 3. When the sire or dam shall have won a full championship in England under the Rules of the National Cat Club or the Governing Council of the Cat Fancy, or in America under, or in accordance with, the Rules of this Association, no further tracing back of the pedigree of that particular ancestor shall be necessary.

Rule 4. When the sire and dam and the grandsires and granddams are of the same breed and properly registered in the Register of the Association, or in one of the books referred to in Rules 1 and 2.

Rule 5. When the cat shows three top crosses of sires of one breed properly registered in one of the books referred to in Rules 1 and 2.

Rule 6. When a cat shall have won a full championship under the Rules of this Association.

Rule 7. When cats are imported from European countries, provided that they can show six ancestors of the same breed, divided between the sire's and dam's pedigrees, which are properly registered in one of the Books referred to in Rules 1 and 2.

Rule 8. Persians, Manx, Siamese, Australian, Russian, and Abyssinian cats may be entered in the Stud Book, when imported direct from the country of their nativity, upon proof of that fact.

## The Cat Fanciers' Association, Inc.

---

### RULES FOR REGISTRATION IN THE REGISTER

Sec. I. Cats or Kittens may be entered in the Register of this Association under the following conditions:

Rule 1. When either the sire or dam is registered in the Stud Book of this Association, or when the cat itself has been registered in any Stud Book recognized by this Association, or when its sire and dam have both been registered in the C. F. A. Register, or when its sire or dam have been registered in a Stud Book recognized by this Association.

Rule 2. Any long-haired cat or kitten, if not eligible for the Stud Book, may be entered in the Register upon a statement that it is bred of long-haired sire and dam.

Rule 3. Any short-haired cat or kitten may be entered in the Register upon a statement that both sire and dam are of the same short-haired breed.

Rule 4. Waifs or rescued cats may be entered in the Register upon a statement to that effect and that their parentage is unknown.

Rule 5. The ancestors of any cat may be entered in the Register in order to make said cat eligible for the Stud Book, provided they are already entered in stud books recognized by this Association, or upon evidence satisfactory to the Recorder that they are eligible for such registration.
