

Linda Vousden's Judge Reports
Blue-Point Siamese CC 26/01/2020

Many thanks to the ever-serene Caroline, and her excellent show committee and all other helpers, for having me to judge. Everyone was so helpful and friendly. I also thank my gentle steward, Mike Vousden, who always make my day so enjoyable. The new venue was good (and light), the lunch was delicious and I much appreciated my judge's gift. I hope more exhibitors will be able to come along another time. I was lucky to have a whole basket of lovely cats to cuddle – I thank the exhibitors for trusting me to handle their pets.

BP Siamese CC -- Household Pet Section

Open Classes – Pedigree Pets

Class B253, Grand Class - AC Pedigree Pet Master Cat - One in class and a worthy winner

GMC - Mansaray's MC DENZEL (SH Black) MN, 2yr 10month. Very impressive. Medium type, elegant shape, of very good weight, size and body-tone. He has a gleaming pure black coat set-off by rich amber yellow eyes of a lovely almond shape with a more rounded lower lid. Medium large ears, broad at the base and nicely set to balance his medium wedge-shaped head. His gently tapering tail, with its quirky little kink, well-suits the length of his body. A lovely profile with a level bite, nice nose-break and firm chin. Well presented. This lad was as much a pleasure to handle as he was last time I saw him – and his gentle temperament is as good today.

Class B257, Open Class – LH/SLHAOC or Any Pattern – One in class for BIC only

BIC – Meeking's GMC HERMIA (SLH Seal-Point) FN, 12yr 5month. A sweet little female. A trifle nervous but handled well. Her head is a medium to long wedge with large ears, a feminine profile with a level bite. Notably long canine teeth. Her gentle expression is enhanced by her almond shaped, vivid sapphire eyes. Her semi-long sift coat is warm seal brown points and the rest of her is warmly coloured-up as expected at her age. Her tail is beautifully feathery. Well-groomed and presented, a gentle creature who I'm sure makes a perfect lap-cat.

Miscellaneous Classes

Class B265, Misc Class – AC SH Non-Pedigree Cay or Kitten – One in class.

1st – Everett's MC WILLOW (SH White) MN, 1yr 5month. It's lovely to see this beautiful fairy-like creature again. The most glorious pure soft white coat in immaculate condition, set with large round eyes of clear sky blue. A good sized male of elegant proportions and strength. He was a little disturbed today, but easy to handle. Beautifully presented.
