## EDITOR'S NOTE.

---

The preparation of this Volume of the Siamese Cat Register has been both interesting and instructive. It is believed it will be found increasingly useful to both the novice and experienced breeder.

There are over 800 entries, which have been prepared in two months, and whilst absolute accuracy is not guaranteed, they are as accurate as the records from which they have been compiled.

Thanks are due to Mrs. Wade, Mrs. Morrah, and Miss Dixon for their timely help and advice; also to Mrs. Bartram for her assistance in the actual preparation of the entries and the checking of them.

36, Queen's Drive,  
West Acton, W.3.

## WHAT IS THE CATS' PROTECTION LEAGUE?

It is a Society whose object is to promote the welfare of all Cats.

Its aims are:—

1. To ensure the proper understanding and treatment of cats, by educational propaganda, lectures, leaflets and the formation of Cat Clubs.
2. To prevent the suffering of strays by discouraging the present over-production of unwanted kittens.
3. To secure the co-operation of Local Government bodies in the provision of free lethalizing centres.
4. To promote the most humane, practical and economical method of destroying cats, when necessity compels the taking of their lives.

The following suggestions are offered to those who wish to help the League:—

1. Send to the Secretary—  
Cuttings from your Local Press of everything relating to cats.  
Please give name and date of paper.  
Addresses of places where cats are boarded in your district.  
Addresses and details of places where cats are sold.  
Names and addresses of people who feed or rescue strays or who have a lethal box.
2. Distribute the League's literature and recommend our collars.
3. Keep a collecting box for the funds.

Any kind of assistance is welcomed, whether in the form of donations, gifts for Bazaars and Rummage Sales, or suggestions that will in any way help the League to cope with the grave problems it has to face.

Over a quarter of a million unwanted cats are destroyed every year because of the apathy and ignorance of the public.

Help us to educate cat owners to realise their responsibilities.
