## SHOW RULES, PROCEDURES & REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT INCLUDED WITH THIS Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF, 4-6 Penel Orlieu, Bridgwater, Somerset TA6 3PG. Price £1.50)

### ELIGIBILITY AND REGISTRATION

Tonkinese adults, kittens and neuters are eligible for competition at this show if registered with the GCCF. No Cat or Kitten, Entire or Neutered, born after 19/10/1971 with one or both parents unregistered shall be eligible for the Open classes. Cats registered on the reference register are not eligible for competition, (except for Preliminary status Tonkinese who where registered on the Reference Register prior to recognition of the breed (1/5/91) and who are now considered as if registered on the experimental register) but may be shown on exhibition.

All registrations and / or transfers must have reached the GCCF office by the 11<sup>th</sup> October 1996 or the exhibit will be DISQUALIFIED. If you have entered the exhibit in your name and it is transferred away from you before this date it will also be DISQUALIFIED because the entry form becomes invalid. If you have not received the registration number when you enter, write NAF (name applied for) instead, fill in the name you have applied for, and send the number and any change of name to the Show Manager when they arrive.

If you change the registered colour of your exhibit before show day, please inform the Show Manager as soon as possible. There is no 'three week limit' on this.

Unregistered Kittens and Neuters with unregistered / unknown parents are eligible for the Non-Pedigree Section.

### SHOW ENTRY FORM

In order to exhibit at the show you must complete the official entry form and read and sign the declaration. The information on the entry form must be identical to that on the registration / transfer certificate. **You are responsible for the correct description of your exhibits, and for entering them in the correct classes.** If you make any mistakes your exhibit may be DISQUALIFIED. This includes: incorrect name of the cat or its breeder, incorrect sex, breed or date of birth where this affects the class entry, incorrect owner - single instead of joint, etc. If the cat is registered in single ownership only that person must sign the form. If the cat is registered in joint ownership both owners must sign the form. If you are entering a cat in single ownership and one in joint ownership then please complete two separate forms.

No cat or Kitten in the same ownership or from the same household or cattery may be exhibited at any show or public exhibition within thirteen days prior to or following the date of this show.

Please check your entry very carefully to make sure that it is clear and legible, that you have entered your cat in the correct classes, that you have **signed the form** and that you have **sent the correct money**. Any entries that are incorrect will be returned and the resulting delay could mean that you are too late to enter.

### WITHDRAWAL FROM CAT SHOWS - NEW GCCF RULING

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show, after this date the cats concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering 2 shows within 13 days will apply. Show Managers may be prepared to return part of the entry fee if the cat is not present at the show but the entry in the catalogue must not be withdrawn. The ruling does not prevent Show Managers returning entries after the closing date of the Show if they are unable to accept them into the show because the show is full. Entry fees will be refunded for entries withdrawn before the published closing date. Thereafter a percentage of the entry fees may be refunded at the discretion of the Committee providing that a Veterinary certificate is received by the Show Manager seven days prior to the date of the Show.

### CORRESPONDENCE

All correspondence must be accompanied by a stamped, addressed envelope. For confirmation of acceptance of entry please enclose a stamped addressed postcard with your entry form. **ALL ALTERATIONS AND / OR ADDITIONS TO ENTRY FORMS MUST BE MADE IN WRITING** and will not be accepted by telephone. Any complaint related to the Show must be forwarded to the Show Manager within 7 days of the show.

### ARRIVAL AT THE SHOW & VETERINARY

Exhibits will be received at the entrance of the Show Hall from 7.30am until 9.30am on the morning of the Show. All exhibits must be brought to the show in boxes, baskets or suitable containers and must be accompanied by their owners or their owners' representative. Each exhibit will be examined by the Hon. Veterinary Surgeons who are authorised to exclude any exhibit which they consider to be unfit. No exhibit shall be penned before being examined. Exhibits must have clean ears and coats free from pests. No pregnant or lactating queens may be exhibited. No exhibit that has been de-clawed will be accepted neither will male cats of 9 months of age which are either monorchid or cryptorchid. Queens who have kitted within 12 weeks of the Show will be rejected.

**ALL EXHIBITS MUST BE INNOCULATED AGAINST FELINE INFECTIOUS ENTERITIS AND YOU MAY BE ASKED TO PRODUCE YOUR CURRENT CERTIFICATE.**

Please note that Homeopathic vaccinations are not acceptable. Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If, in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the Show. The Veterinary Surgeon's decision is final.

### VETERINARY LETTERS

In the past, cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. **THIS IS NO LONGER APPLICABLE:** such letters are no longer accepted at shows and any exhibitor presenting a cat with any skin lesions indicative of

ringworm is likely to be rejected at vetting-in. The GCCF Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesions indicative of ringworm, however small.

### VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Manager shall obtain from the Vet. the reasons, and accordingly notify the GCCF within 48 hours of the Show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned. Exhibitors whose cats have been rejected at Shows please note the following points:-

1. When sending your clearance certificate to the Veterinary Officer please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt and this will be signed and returned to you.
3. Exhibitors should not attend shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to shows within a month of issue of the clearance letter.

### PENNING OF EXHIBITS AND PRESENTATION

Take pride in presenting your exhibit(s). Please make sure that it is comfortable, warm and relaxed. Every exhibit must be provided with a white sanitary tray and clean white or near-white blanket(s) without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white vet-bed or like material with white or green backing may be used if preferred. A hot water bottle or heat reflecting material or a cool pack may be used, but must be concealed by the blanket in accordance with GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water but food containers must be removed when judging commences at 10 a.m. and may not be returned until 12.30 p.m. Judges are instructed to pass any pen that is distinguished in any way. Other than the official notices or award cards, no written or printed matter may be placed on competitive pens. Exhibition pens only may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall may not be removed without the sanction of the Show Manager. They are only received on the condition that the Club shall not be held responsible for any loss or damage to exhibits, boxes or baskets, or in any other way.

### ADVICE TO EXHIBITORS

You are advised against purchasing any shampoos that change a cat's colour as this can lead to disqualification. You may now correct any mistakes on your entry form up to the close of the Show.

**THE CLIPPING OF THE TIPS OF SHOW CATS' CLAWS IS CONSIDERED DESIRABLE.**

Tallies, Vetting-in slips and Exhibitors passes and catalogue vouchers will be handed out to exhibitors at vetting-in. Tallies should be hung around the exhibits neck by means of a white tape, ribbon or elastic. The show closes at 5 PM and no exhibit may be removed from its pen before this time without the sanction of the Show Manager. Failure to observe this rule could result in being disqualified and the forfeit of any awards or prize money.

**EXHIBITORS ARE RESPONSIBLE FOR ENSURING THAT THEIR EXHIBITS' PENS ARE SAFE AND SECURE, AND FOR INFORMING THE SHOW MANAGEMENT IF PENS ARE FOUND TO BE INSECURE.**

### JUDGES

Judging will commence at 10.00 am. Judges are empowered to withhold any prize or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's slip, not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of Judge of an open class occurring after the closing date for Show entries and provided the exhibitor informs the Show Manager prior to judging that a certificate has previously been awarded by the replacement Judge, the Show Manager shall appoint one other Judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards the cats' status.

The show closes at 5.00pm. No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the show, except with the consent of the Show Manager, will forfeit any award that may be due to his/her exhibit. Exhibitors must leave the hall at 10.00am and not return until 1.00pm.

### STEWARDS

No person may steward at all for any judge under whom he or a member of his household is exhibiting in an Open Class. This shall also include cats not entered in the Open but to be considered for the Best of Breed.

### EXHIBITORS

One free admission pass will be given with each entry. Extra passes may be purchased with entries or at entry to the Show Hall. The cost is £1 Adult and 75p Children and Senior Citizens.

There is good parking and wheel-chair access to the ground floor, where the show is held. Any exhibitor in any way interfering with or removing any exhibit from its pen during the Show, except with the consent of the Show Manager, will forfeit any award which may be due to his or her exhibit. No one may remove any exhibit from its pen except the owner or Club Official. All exhibitors are forbidden to carry their exhibits around the Show Hall and they must not be held in such a way as to annoy other exhibitors.

**PHOTOGRAPHS OF THE EXHIBITS MAY ONLY BE TAKEN AFTER PERMISSION HAS BEEN OBTAINED FROM THE SHOW MANAGER AND THE EXHIBITS' OWNERS.**

project ringworm research

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.
