Please be considerate of the Judges and Officials who are moving about the hall in order to do their jobs. Give way to their trolleys and do not crowd them. **Please do not** speak with the Judges or their Stewards while they are working.

The Show hall is a 'No Smoking' area.

SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy. The Rules are not repeated herein but all exhibitors must abide by them and they will be strictly applied. JUDGES

Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. Exhibitors may not approach a Judge, or converse with a Judge, until that Judge's engagement is complete. **Judges are instructed to pass any pen that is distinguished in any way. A Judge's decision is final.** *Please note that in addition to the classes you have entered your cat may be handled for the purpose of assessing candidates in the GCCF Judge appointment scheme*

NOTES FOR EXHIBITORS

The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rules otherwise.

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The second project was undertaken by Dr Matthew Binns of the Animal Health Trust which has been involved in the production of genome maps and is working on similar projects for horses and dogs. These maps are an essential tool for the study of genetics in any species and now much of this work on the feline map has been completed in the United States. Dr Binns' work of identifying specific markers will enable researchers to produce information about inherited feline diseases and enable such problems to be identified by a simple blood test. Programmes can now be developed for the elimination of the condition from the breed in the most positive and caring way. The work on the genome map and the following research will take time and funding from other sources but it is the Cat Welfare Trust grant which has enabled the work to commence.

The Trustees have supported the Genetics Project for two years and this has enabled Dr Binns to produce a 'blueprint' which can now be used to facilitate work on genetic conditions. Dr Binns has set up a Genetics Working Group with feline veterinary interests from around the country represented on it. This Group will be able to provide additional support for the work and co-ordinate the collection of information on specific diseases.

The search for a THIRD project is progressing well. All the veterinary colleges and other relevant organisations were contacted and asked to supply the Trust with an outline of any project they would like to have considered for funding. The applications have all been considered and one project has been shortlisted but the new project needs more funding than the Trust can raise. The Trustees and the Applicant hope that the balance of the funding will be available early in 2004 to enable the first two years' work to start.

The Trustees need your support to provide money to enable them to continue to make grants and undertake the support of future projects for the benefit of our cats. The excellent response we have already received from the Veterinary Schools, with suggestions for a third project, has confirmed the Trustees' belief that there are many worthwhile schemes needing their support now and in the future.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

Mother & Daughter Team

*Chris & Jo would like to wish the Tonkinese Breed Club,
and every one, here, a very successful day.*

*Tonkaholics Cats, are first and foremost bred, for health
and happiness, the fact that we have, had, very
successful show cats is a bonus.*

*We consistently breed fourth and fifth
generation kittens, all colours and patterns.*

*All our cats are nurtured indoors under foot and duvet.
With a big dog and very small children.*

*We occasionally do have kittens, to be adopted, but
many of our kittens, are booked long before they are
born.*

*Many of our cats are here today, both in competition
and on exhibition.*

*If you don't get a chance to speak to either myself or Jo
today, take a peek at our beautiful family of cats, in the
comfort of your own homes*

Exhibitors:- If your cat has won a Champion or Premier title at a GCCF Championship Show, please make your claim to the GCCF office (address above). Please include the cat's name, breed number, sex, breeder's name, owner's name and address, together with the names and dates of the three shows and awarding judges' names. All claims are acknowledged, and periodically a list of Champions etc. is published in OUR CATS, shortly after which medals are sent to owners from the GCCF office. Owners of cats achieving the same title under GCCF and GCCF of Ireland Rules may claim "International" status for that title by writing to the GCCF office enclosing written confirmation of having gained the title under GCCF of Ireland Rules. This written confirmation must be signed by the Secretary and stamped with the GCCF of Ireland's Seal.

Applying for a Prefix:- Breeding prefixes cost £60 and applicants must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the Office.

Registrations and Transfers:- Forms for both are available from the Office.

Certificate of Entirety:- All male cats used at stud must have a Certificate of Entirety deposited with the GCCF, prior to registration of kittens. To obtain an official Certificate of Entirety send a large stamped addressed envelope to the office, together with the registration number and name of the cat. No fee is charged by the GCCF. We recommended you keep a photocopy for your own records and to show to owners of visiting queens.

Publications:- Price lists and Club Secretaries' address lists are available on receipt of a stamped addressed envelope. The following are available by post from the Office:
