A Big Welcome to our 9th Championship show, the theme of which is Halloween and for which I must thank the club's committee for their scarey decorations!

Hopefully your cats will have a successful day at the show, and you will have an enjoyable day with us as well. Don't forget - YOU take home the best cat(s) at the end of the day anyway, whatever they have achieved.

We are already working on ideas for the 2012 show – it will be our 10th Championship show.

So please put Saturday, 27 October 2012 in your diary to come and share our celebrations with us.

Have a safe journey home.

Regards

Kathy and the Committee

EXHIBITORS OF PEDIGREE CATS– If your cat has won 3 Champion, Premier, Grand Champion/Premier, 5 Imperial Grand Champion/Premier, 5 Olympian certificates at GCCF Shows or 2 UK Grand Champion/Premier (Supreme show only) please make your claim to the Office by email or at the address above. Please include the Title claimed, cat's name, breed number, sex, breeder's name, owners name and address, together with the names and dates of the qualifying shows and awarding judges' names. Title claim forms are available to download from the GCCF web site if required. All claims are acknowledged with a title certificate and periodically the Title lists are published on the web site, shortly after the medals which have been paid for (£16.50 per medal, payment with order) are sent to owners from the GCCF Office.

Owners of cats achieving the Champion/Premier, Grand Champion/Grand Premier title under GCCF and GCCF of Ireland Rules may claim "International" status for that title, by writing to the GCCF Office enclosing written confirmation of having gained the title under GCCF of Ireland Rules. This written confirmation must be signed by the Secretary and stamped with the GCCF of Ireland's Seal.

APPLYING FOR A PREFIX - Breeding prefixes cost £75, for overseas residents the cost is £100 and applicants must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the GCCF Office or online.

REGISTRATIONS AND TRANSFERS - Forms for both are available from the GCCF Office and online.

CERTIFICATE OF ENTIRETY - All male cats used at stud must have a Certificate of Entirety deposited with the GCCF, prior to registration of kittens. To obtain a Certificate of Entirety, send a stamped addressed envelope to the office or alternatively download from the GCCF website. **No fee is charged by the GCCF.** We recommend you keep a photocopy for your own records and to show to owners of visiting queens.

MATING CERTIFICATES – Section 1 Rule 3d (effective 1 June 2002) When a litter is registered, the application to register must be accompanied by a copy of the certificate of mating unless the person registering the kitten(s) is also the registered owner of the sire. (Rule added 24.10.2001) The owner of the stud cat must provide a Certificate of Mating to the owner of the queen upon collection of the queen (amended/effective 29.10.03).

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The most recent - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination.

The fourth project will be a study to be conducted by Bristol University in conjunction with Manchester University and the University of California-Davis into the genes that play a pivotal role in the control of infectious diseases particularly Feline Infectious Peritonitis.

The study should also objectively determine relative levels of inbreeding in various breeds and whether the gene pool is dangerously narrow putting specific breeds at increased risk of inherited disorders and disease susceptibilities. Results of this latter part of the study should supplement the information available to the BACs when they look at their breeding policies and help encourage best practise.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
