## SHOW RULES AND REGULATIONS

The Show is held under the Rules of the Governing Council of the Club and is open to all. As a copy of the rules is NOT included with the entry, exhibitors are reminded that they should read Section 4 of the Show Rules which will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the rules. (Copies of the Rules may be obtained from the GCCF Office, 4-6 Penel Orleu, Bridgwater, Somerset. TA6 3PG. Price £1.50).

## ADVICE TO EXHIBITORS

- 1 The Show closes at 5.00pm and no exhibit may be removed from its pen before this time, except with the consent of the Shows. This Rule will be strictly enforced.
- 2 Please note that in addition to the classes you have entered your cat may be handled for the purpose of assessing candidates in the GCCF Judge appointment scheme.
- 3 No written or printed matter of any kind other than official notices and award cards may be put onto the pens without the permission of the Show Manager.
- 4 All correspondence must be accompanied by a SAE if a reply is required. Any complaint relating to the Show must be forwarded to the Show Manager in writing within seven days of the Show.
- 5 All Mobile 'phones must be switched off in the Show Hall.
- 6 Photographs of the exhibits may only be taken after permission has been obtained from the Show Manager and the exhibit's owners.
- 7 Exhibitors (owners) are responsible for the cost of any veterinary treatment required by their cat(s) in their absence from the Show Hall.
- 8 The Club shall not be responsible for any loss or damage to exhibits or their property.

## JUDGES

Judges are empowered to withhold any prize in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip, not from any catalogue or prize card. A Judge's decision is final. Exhibitors may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete. Exhibitors may withdraw their exhibits from competition in any Open Class affected by changes in Judges and entry fees for such classes must then be refunded on demand. Penning fees are not repayable.

## The Cat Welfare Trust

PLEASE SUPPORT THE GENOME MAP PROJECT

The current project is being undertaken by Dr Matthew Binns of the Animal Health Trust which has been involved in the production of genome maps and is working on similar projects for horses and dogs. These maps are an essential tool for the study of genetics in any species and now much of this work on the feline map is well underway in the United States. Dr Binns will use this work to produce information about inherited disease and enable such problems to be identified by a simple blood test. Programmes can then be developed for the elimination of the disease from the breed in the most positive and caring way. The work on the genome map and the following research will take time and funding from other sources but it is the Cat Welfare Trust grant which has enabled the work to commence.

The Trustees have been supporting the Genetics Project for over a year now and this has enabled Dr Binns to commence work on the preparation of DNA samples and to attempt to identify markers linked to the disease, progressive retinal atrophy. This condition has been chosen because suitable samples already exist and this will enable Dr Binns to set up a 'blueprint' which can then be used to identify markers for other conditions. Dr Binns has set up a Genetics Working Group with feline veterinary interests from around the country represented on it. This Group will be able to provide additional support for the work and co-ordinate the collection of information on specific diseases.

Work started on the project at the beginning of year 2000 and will be funded for two years initially. The Trustees need your support to provide money to enable them to make this grant and to produce further funds to undertake future projects for the benefit of our cats. The excellent response received from the Veterinary Schools, when approached for possible projects last year, has confirmed the Trustees' belief that there are many worthwhile schemes needing their support in the future.

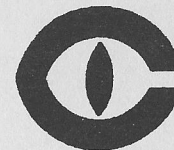

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
