The Cat Welfare Trust

PLEASE SUPPORT THE NEW TRUST APPEAL

The Trustees are delighted to announce the closure of the Ringworm Appeal. The Trust is now holding sufficient funds to support the ringworm vaccine research for the full three year programme. Ann Robinson has been working on this research since October 1996 at Bristol School of Veterinary Medicine. The research is continuing very positively and it is hoped that some good results will be obtained by Autumn 1999.

The Trustees are now asking for support for a new project or series of projects to promote the health of cats.

The Trustees are hoping to identify a project and have the work underway in 1999. The funding required will be at least £10,000 each year

Donations to the Trust Treasurer:
