## **Rules for Registration in the Stud Book.**

Cats may be registered in the Stud Book of the Cat Fanciers' Association in accordance with the following conditions:

Rule 1. When sire and dam have been properly registered in (a) the Stud-Book of this Association; (b) the American Cat Association Stud-Book; (c) the United States Official Register and Stud-Book; (d) the Beresford Cat Club Stud-Book; (e) the Stud-Book of the National Cat Club of England, or in the Cat Club Register.

Rule 2. When the sire and dam, and the grand sires and grand dams, six direct ancestors, are of the same breed and registered in the Stud-Book of the National Cat Club of England.

Rule 3. When the sire or dam shall have won a Championship in England under the Rules of the National Cat Club, or in America, under or in accordance with the Rules of this Association, no further tracing back of the pedigree of that particular ancestor shall be necessary.

Rule 4. When the sire and dam, and the grand sires and grand dams are of the same breed and properly registered in the Register of this Association.

Rule 5. When the cat has been registered in the American Cat Association Stud-Book, the United States Official Register and Stud-Book, or in the Stud-Book of the National Cat Club of England, or in the Cat Club Register.

Rule 6. When the cat shows three top crosses of sires of one breed registered in any one of the Stud-Books named in Rule 1.

Rule 7. When a cat of any of the breeds recognized by the Cat Fanciers' Association has been imported from European countries, on satisfactory evidence that it is of pure blood.

Rule 8. When a cat shall have won a full championship under the rules of this Association.
