RULES FOR REGISTRATION IN THE STUD BOOK.

Sec 1. Cats and Kittens may be entered in the Stud Book of this Association in accordance with the following conditions:

Rule 1. When the sire and dam have been properly registered in (a) the Stud-Book of this Association; (b) the United States Official Register and Stud-Book; Vol. I, (c) the Beresford Cat Club Stud-Book; (d) the National Cat Club Stud Book, or (e) the Cat Club Register of England.

Rule 2. When the sire and dam are of the same breed and registered in (a) the Stud Book of the American Cat Association, or (b) the Stud Book of the Governing Council of the Cat Fancy of England, under rules that conform with those of this Association.

Rule 3. When the sire or dam shall have won a full championship in England and under the Rules of the National Cat Club or of the Governing Council of the Cat Fancy, or in America under, or in accordance with, the Rules of this Association, no further tracing back of the pedigree of that particular ancestor shall be necessary.

Rule 4. When the sire and dam and the grandsires and granddams are of the same breed and properly registered in the Register of the Association, or in one of the Books referred to in Rules 1 and 2.

Rule 5. When the cat shows three top crosses of sires of one breed properly registered in one of the books referred to in Rules 1 and 2.

Rule 6. When a cat shall have won a full championship under the Rules of this Association.

Rule 7. When cats are imported from European countries, provided that they can show six ancestors of the same breed, divided between the sire's and dam's pedigrees, which are properly registered in one of the Books referred to in Rules 1 and 2.

Rule 8. Persians, Manx, Siamese, Australian, Russian, and Abyssinian cats may be entered in the Stud Book, when imported direct from the country of their nativity, upon proof of that fact.
