

KENSINGTON KITTEN & NEUTER CAT CLUB SHOW – 29/7/2000

Household Pets Judge Report - MRS LINDA VOUSDEN

A big 'thank you' to Helen Hewitt for inviting me to judge these gorgeous creatures at the Club's Sapphire Show. I especially enjoyed my day thanks to Kathy Wilkinson who came so far to steward for me, and handled the cats with such care.

LH Black Adult Male

1st and Best of Group – **BILLY BEAN**, the only cat in the class but a worthy winner.

Beautifully groomed, dense black soft fur. A gentle cat with a relaxed and inquisitive nature.

LH Black Adult Female

1st – **AIR**, a very friendly girl who was happy to walk out on to the trolley. Rich, shiny coat and sparkling eyes. Perhaps a little portly but well groomed and obviously well loved.

LH White Adult Female.

1st – **POLO**, a beautiful clear white coat, and a very pretty face. A little untidy underneath but otherwise in lovely condition and I did notice that she liked to sit in her litter tray.

Relaxed and friendly.

AC Adult 9 Months to 2 Years (6 in the class)

1st – **MORGAN**, an attractive, warm, classic tabby pattern and clear eye colour. In beautiful condition, relaxed and obviously comfortable with being shown. A pleasure to handle.

2nd – **ANNABELLE**, gorgeous shining coat, soft and in lovely condition, her whites are very white. Preferred her pen to the trolley but still friendly, I liked her very much.

3rd – **ZIGGY**, a sweet, handsome boy.

AC Adult or Kitten Owned by an Under 16 (4 in the class)

1st – **MISTY**, such a pretty cat. Bright, confident, and had attitude. Excellent condition, a lovely soft coat and very friendly. I liked her very much.

2nd – **DAISY**, very pretty with a gorgeous soft coat and clear gaze. Extremely friendly and loved attention. A pleasure to handle.

3rd – **BAILEY**, a very appealing softy.

Friendliest Adult or Kitten Under 5 Years. (10 in the class)

Such a pleasure to judge this class. All were lovely to handle but the winner was outstanding.

1st – **ZACCHARIAH**, once he was out of his pen he did not want to go back again. A wonderful friendly nature, really played to his audience. What a lucky owner.

2nd – **MISTY**, she just loved being cuddled

3rd – **ANNABELLE**

Kitten Judge Would Like to Take Home (7 in the class)

What joy to be judging this class! Again all were pure delight to handle.

1st – **WILLOW**, I fell in love with this little charmer, once I'd managed to get her away from my steward! An outstanding temperament and such a beautiful kitten. I was delighted, but not surprised, to find out that she lives with the friendly Zaccariah.

2nd – **CHER**, we had a lovely cuddle with this soft, pretty little girl.

3rd – **SNOWIE**, a gentle charmer.

AC LH Adult (4 in class)

1st – **MIZZ MOLLI**, a lovely big dark tortie girl in excellent condition. Soft coat, relaxed and a pleasure to handle.

2nd – **QUEEN O' SHEBA**, a very striking red girl. Alert and friendly with a lovely face and gorgeous tail. She has a super coat in good condition, a real show veteran at 9 years old.

3rd – **BILLY BEAN**.

AC LH/SLH Kitten

1st – **CHER**, the only one in the class but what a stunner. Definitely not a naughty tortie, a sweet baby in the softest fur coat and such pretty colouring. A beautiful feathered tail. I do hope we see her again.

AC SH Kitten (2 in class)

This was such a difficult choice, I wish I could have given equal 1st places.

1st – **GYPSY**, a real poppet. Bright, alert and very friendly but a little bothered by the cold draught. Gorgeous black coat, amber eyes and a wonderful long tail. Really snuggled into my neck. Beautifully prepared.

2nd – **SNOWIE**, what a baby bruiser! So relaxed and a pleasure to handle. Wonderful clear markings and such a rich colour. Excellent condition.
