DEAR SIR,

I sold all the Cats I had for disposal through one advertisement in "OUR CATS" to good homes, and could have sold more if I had had them. I think it is a splendid medium for sale of Cats and Kittens.

Yours truly,

M. FEARNLEY.

The Manager,

The National Cat Club was organised (1) to promote honesty in the breeding of Cats, so as to ensure purity in each distinct breed or variety; (2) to determine the classification required, and to encourage the adoption of such classification by breeders, exhibitors, judges, and the committees of all Cat Shows; (3) to assist the Showing and Breeding of Cats, by holding Cat Shows under the best sanitary conditions, giving Championship and other prizes, and otherwise doing all in its power to protect and advance the interests of Cats and their owners.

The National Cat Club is also a Court of Inquiry and Appeal in all matters relating to Cats or affecting the ownership of Cats.

The National Cat Club founded a Stud book some eight years ago, and is the only reliable source of information concerning the pedigree of Cats. The Registration Fee is 1/- for the Register of Names, but for the Stud Book the fee is 5/- for *Approved* Cats exhibited under N.C.C. Rules.

.....

## SILVER LAMBKIN,

Pure colour, immense coat. From Beauty, by Perso. Imported medal winner. Silver Lambkin has long since proved his value as a Stud Cat, his progeny having won over 130 first prizes, often with medals and specials. That he is as good as ever is shown by his kittens' wins during the past twelve months. Progenitor of nearly all the leading Chinchilla Cats. Sire of, amongst others, The Silver Squire, Silver Mist, Lord Southampton, Lord Argent, Mowgli, Silverhair, Mercury. His progeny include Silver Sultan, The Seraphs, Bittern, Silver Chieftain, Lord Kitchener.

## SILVER LADDIE.

No relation to Silver Lambkin.

This Cat is of the cobby round-headed type, so much admired in the present day. He was bought soon after he won first and Cup at Cruft's, 1894, as an outcross for Mrs. Balding's Lambkin strain, for which purpose he has been a huge success. Sire of Champion Zaida, the late Silver Cherub, many winners in kitten classes, and the Villain, winner of first, medal and special at St. Stephen's Hall, 1899.

## SILVER TOD SLOAN.

Now at Stud for the first time, combines the successful Chinchilla blood of the day being by The Silver Lambkin out of Silver Cherub's litter sister. He has a very heavy, pale, pure, silver coat with no marks, a wide short head.

*Aug. 22, 1900.*

DEAR SIR,

I sold all the Cats I had for disposal through one advertisement in "OUR CATS" to good homes, and could have sold more if I had had them. I think it is a splendid medium for sale of Cats and Kittens.

Yours truly,

M. FEARNLEY.

The Manager,
